TABLE OF SUBJECTS

A

ADMINISTRATIVE AGENCIES
See also Jurisdiction
Consumer Product Safety Commission
  Vinyl chloride regulation ........... 601-12
Department of Interior
  Public Trust Doctrine ............ 782, 814-817
Environmental Protection Agency
  Vinyl chloride regulation .. 565-88, 601-12
  Water pollution control ........... 955-88
Food and Drug Administration
  Ritalin distribution ............... 458
  Vinyl chloride regulation ........ 588-612
National Oceanic and Atmospheric Administration ............. 1014-21
Occupational Safety and Health Administration
  Vinyl chloride regulation .... 535-65
Office of Management and Budget .. 835-40
Remedies for executive agency failure of duty ................... 813-14, 823-46

AIR POLLUTION
See also Nuclear Energy
History of controls ................ 861-67
Radioactive air pollutants ...... 698-700

C

CHEMICALS
See also Toxic Substances: International Law
Categorization of ................ 372-85

D

DRUGS
Animal drugs ............. 254-55, 264-65, 268-70
False advertising ............... 476-77
Federal regulation of ritalin .... 457-95
Medical devices regulation ...... 101-35
Required showing of safety and effectiveness .................. 475, 477-495
Treatment for hyperactivity
  Hyperactivity defined ............ 459-70
  Ritalin ......................... 471-75

E

ENVIRONMENTAL RISK
Generic view ...................... 207-44
False negatives and positives ........ 219-20, 230-39

ENERGY RESOURCES
Alternative sources .............. 183-93

Market constraints .................. 179-82
National Planning ................. 171-93
Nuclear Energy
  Radiation Hazard ............... 693-98
  Radioactive air pollutants .... 698-700
  Siting of plants in frontier areas ... 39-50
  State regulation of .......... 679-723, 917-53
  Waste repository siting .......... 917-53

F

FEDERAL-STATE RELATIONS
See also Energy Resources: Jurisdiction
Preemption ..................... 683-93, 917-53

FOOD ADDITIVES
Safety standards for .......... 245-84
Color additives .................. 253-54, 269

H

HISTORIC PRESERVATION
Taking
  Appropriation ................... 741-49
  Arbritrariness ................. 741-45
  Harshness ..................... 741, 745-48
  Transferable development rights .... 732, 737-38, 747-48

I

INTERNATIONAL LAW
Regulation of chemicals ........ 397-456
Transnational risk creation
  Flood danger .................. 19-20
  Hazardous border installations .... 23-24
  Hazardous industrial activities .... 15-16
  Hazardous military activities .... 21-23
  Nuclear plant siting ........... 27-30
  Supertanker traffic ............ 16-19
  Weather modification .......... 24-27

J

JURISDICTION
See also Administrative Agencies
Jurisdiction over Federal coastlands ................. 1011-43

M

MEDICAL CARE
See also Drugs
Devices
  Administrative guidelines ........ 117-18
  Federal regulation ............ 106-35
Post-market surveillance .......... 123-30
Pre-market screening ............. 119-21

N
NATIONAL PARKS
Redwood National Park
Ecology of ...................... 785-89, 818-20
Economic value .................. 784-85, 791-92
Establishment ................... 789-808
Expansion ....................... 847-59

NUCLEAR WASTE
See Energy Resources

P
PESTICIDES
DBCP ................................ 351-53, 413, 435
DDT .................................. 453-55
Injury to migratory birds. 990, 992-93, 1005

S
STRict LIABILITY
Violations of Migratory Bird Treaty
Act .................................. 990, 992-1001

T
TIDELANDS
Alienability in South Carolina .... 159-69
Ownership ....................... 139-48
Public Trust Protection theory .... 137-70
TOXIC SUBSTANCES
Coke oven emissions ............... 347-51
International regulation of
Vinyl Chloride
Aerosols ......................... 601-12
Exposure to ....................... 502, 527-35
Factory emissions ................ 565-88

W
WATER POLLUTION
Effluent limitations
Variance regulation ................ 955-88

WATER RESOURCES
Conjunctive Use ................... 906-15
Pricing systems ................... 899-902
Priority of uses ................... 890-93
Prior appropriation ................ 884-85, 887-90,
................................... 895-99, 909-10
Quantification of water rights .... 893-99
Reclaimed and recycled water .... 902-06
Riparian Rights ................... 882-85, 889,
................................... 894-95

WILDLIFE
Protection for migratory
birds ................................ 989-1010

ZONING
See also Historic Preservation
Boards of Adjustment .............. 78-84
California statutory requirements 756-58
Due Process ....................... 51-99
Exclusionary practices ............ 57-76
Racial discrimination ............. 65-69
Referenda, Initiatives ............ 51-99, 775-79
Right to Travel ................... 59-64
Transferable development
rights ................................ 732, 737-38,
................................... 747-48, 767-68
Wealth-based discrimination ...... 69-76
