</tr>
<tr>
<td>Jurisdictional emission quotas</td>
<td>273, 276-88, 295, 298, 301-02</td>
</tr>
<tr>
<td>Hazards of coal use</td>
<td>777-78</td>
</tr>
</tbody>
</table>

New Source Performance Standards

| Coal-fired electric generating plants       | 748-61        |
| Domenici clause                             | 751-54        |
| Dry scrubbing                               | 754-56        |
| Ex parte communications                      | 759-61        |
| Leniency                                    | 757-59        |

Synthetic Fuels

| Atmospheric carbon dioxide                  | 783, 787      |
| Dust and particulates from oil shale        | 782           |

#### AIRPORT NOISE POLLUTION

| Economic incentives to reduce               | 645-52        |
| Federal regulation                          | 629-44        |
| Health effects                              | 608-11        |
| Liability                                   | 613-29        |
| National legislation                         | 629-36        |
| Property taken by                           | 613-19        |

#### AIRPORTS

| Noise                                       | 607-53        |

#### COASTAL ZONES

See also *Energy Production, National Energy Policy, State-Federal Relations*

| Development of state coastal programs       | 539-57        |
| Models for developing state coastal programs| 563-81        |

#### CONSERVATION

See also *Environmentalism*

| History of National Park policy             |               |
|                                          | 5-17, 39-46  |
| Streamflow protection                       | 697-723      |

#### CONSTITUTIONAL LAW

See also *Due Process, Equal Protection, State-Federal Relations*

| Commerce clause                             | 371-91        |
| Constitutional implications of cost-benefit analysis | 488-89, 524-25 |
| Due process “taking”                         |               |
| Emission quotas                              | 274-92, 301-02 |
| Strip mining reclamation                      | 770-72        |
| Economic regulation                          |               |
| Liability limitation as                      | 168-71        |
| Equal protection                             | 292-301, 302  |
| Property takings by airport noise             | 613-19        |
| Supremacy clause                             | 538, 552      |
| Radioactive waste management                 |               |
|                                          | 790-800        |
Tenth amendment
Strip mining reclamation........ 771
CONTRACTS
National Park concessions... 18-20, 26-27
COST-BENEFIT ANALYSIS &
AGENCY DECISIONMAKING
NEPA.......................... 492-96, 517
EPA.......................... 496-99, 517-20
NRC......................... 499-502, 517-20
Executive orders........... 502-15, 521-22
Decisionmaking methodology... 481-92
DAMAGES
Liability limitation for nuclear accidents
Constitutionality............... 163-85
DUE PROCESS
Liability limitation as violation of.
.................................. 171-78
EASEMENTS
Air, takeoff and landing........ 613-19
ECONOMICS
Criteria for designating agricultural
zones............................ 670-75
Local agricultural economies... 666, 670,
675-76, 682
ENERGY CONSERVATION
See also Air Pollution
ENERGY PRODUCTION
See also Coastal Zones, National Energy
Policy, State-Federal Relations
Alternatives to CZMA for large-
scale facility siting........ 563-80
Large-scale facility siting, generally
.................................. 533-39
Large-scale facility siting under
CZMA.......................... 539-57, 559-63
ENERGY RESOURCES
See also Air Pollution, Land Use, Nuclear
Energy, Synthetic Fuels
Coal conversion................ 774-80
Domestic development........ 744-46
Energy Mobilization Board..... 727-47
Limiting use of gas and oil.... 774-80
Nuclear Energy
Kemeny Report on the Accident
at Three Mile Island........ 810-17
Power Plants New Source Performance
Standards
Local coal use.................. 752-54
Uranium mill tailings......... 801-09
ENVIRONMENTAL RISK
Nuclear Safety
Kemeny Report on the Accident
at Three Mile Island.......... 810-17
Rasmussen Report............. 814
ENVIRONMENTALISM
Growth control & elitism........ 583-93
EQUAL PROTECTION
See also Constitutional Law
Impact of cost-benefit analysis... 486-89
Liability limitation as violation of.
.................................. 178-81
EROSION
Farming erosion-prone land...... 662, 674
ETHICS
Recombinant DNA research..... 64-85
FISH & WILDLIFE
Streamflow protection......... 697-723
Water pollution control........ 442-45
GAS & OIL
See Synthetic Fuels
HAZARDOUS SUBSTANCES
Recombinant DNA research
Generally......................... 55-129
Biology of...................... 61-64
Risk-benefit analysis......... 64-85
Regulation..................... 85-129
HOUSING
See Environmentalism
JAPAN
Environmental litigation in...... 213-68
JUDICIAL REVIEW
Agency cost-benefit practices ..... 476-77, 493-502, 516, 525-27
Agricultural zoning exemptions .. 679-83
State consistency determinations under coastal zone plans ..... 549-53
Statutory limitations .......... 734-38
Temporary Emergency Court of Appeals .......... 736-37
JURISDICTION
See also Judicial Review
Over foreign corporate defendants. .......... 344-48
Over foreign nations .......... 354-59
Price-Anderson Act .......... 164

L
LAKES & RIVERS
Discharge of dredge & fill material .......... 410-72
Lake Biwa (Japan) development project .......... 213-24

LAND USE
See also Air Pollution
Allocating development rights ..... 295-301
Downzoning .......... 278
Equitable land use regulation .......... 192-93, 198-99
Growth management .......... 286-88
Historic landmark preservation .......... 277, 283-84
Limits to state control
Municipal affairs doctrine .......... 319-24
Lot size requirements .......... 291-92
Optimal resource allocation .......... 190-92, 196-98
Preservation of agricultural land
ALI Model Land Development Code .......... 331-37
Conversion to other uses .......... 657-60
Local control .......... 305-12, 334-37
Planning .......... 326-31, 668-94
Poor quality farmland ..... 656, 662-64, 671, 682
Prime farmland .......... 656, 673-77
Reconversion from other uses .......... 658-60, 662-64
Reserves .......... 656-57
State legislation .......... 312-19
U.S. Soil Conservation Service ..... 672-74
Recapture and compensation
Land value changes from public action .......... 187-202
Reclamation of strip mined land ..... 761-73
Subdivision controls .......... 289-90
Surface Mining Control & Reclamation Act .......... 761-73
Transportation controls .......... 275-76
Water pollution control .......... 464-66
Wetlands preservation .......... 280-83

M
MINERALS & MINING
See also Land Use
Coal-synthetic fuels .......... 781-89

N
NATIONAL ENERGY POLICY
See also Coastal Zones, Energy Production, State-Federal Relations
Impact on state coastal programs. 559-63

NOISE POLLUTION
See Airport Noise Pollution

NUCLEAR ENERGY
See also Energy Resources
Cost-benefit analysis in NRC .......... 499-502, 517-20
Limitation on industry liability .......... 163-85
Radioactive waste management ..... 790-800
Removal of industry liability ..... 182-85
Uranium mill tailings .......... 801-09

NUISANCE
See Airport Noise Pollution

O
OCCUPATIONAL HEALTH
Synthetic fuels production .......... 781-89

P
PARKS
Concessions in National Parks ..... 1-54
Environmental degradation .......... 36
History of National Parks system ..... 5-17
Park concession contracts ..... 18-20, 26-27
Philosophy for National Park use
 .......... 39-46, 48-54
Planning .......... 30-35
Visitor Use in National Parks ..... 2,
15-17, 22, 29

PESTICIDES & FERTILIZERS
Increase in agricultural productivity .......... 660
PUBLIC HEALTH
Quarantine statutes ............ 381-83

PUBLIC UTILITIES
Kemeny Report on the Accident at Three Mile Island ............ 810-17

REGIONAL PLANNING
Agricultural land preservation programs .................... 655-96

REMEDIES
Governmental immunities for transboundary pollution ... 354-59
Governmental remedies for transboundary pollution .... 348-54
Private law remedies for transboundary pollution .... 342-48

RESOURCE MANAGEMENT
See Land Use, Water Resources

SOLID WASTE
See also Synthetic Fuels
State restrictions on waste importation .................... 371-91

STANDING TO SUED
Standing in Japanese administrative suits .................... 235-44

STATE-FEDERAL RELATIONS
See also Coastal Zones, Constitutional Law, Energy Production, National Energy Policy
Agricultural land preservation programs .................... 655-96
Conflicts over energy production .................... 534-38
Preemption of air traffic regulation .................... 619-29
Radioactive waste management .................... 790-800
Recombinant DNA research ............ 118-23
State & local autonomy ............ 741-44
State coastal program development .................... 539-57
Water pollution control .................... 453-69

SYNTHETIC FUELS
Environmental risks .................... 781-85
Pending legislation .................... 785-89
Siting problems .................... 784-85
Social impacts of plant siting .................... 784
Solid wastes .................... 781-85
Water pollution .................... 782-83

T

TORTS
See also Water Resources
Negligence
- Recombinant DNA research ............ 92-94
Recombinant DNA research
- Use of tort law in regulation of ............ 91-97
- Res ipsa loquitur
- Recombinant DNA research ............ 93
Sources of duty to prevent extraterritorial pollution injury ............ 359-70
Statute as substitute for common law rights ............ 173-78
Strict liability
- Recombinant DNA research ............ 94-95

TOXIC SUBSTANCES
Synthetic fuels .................... 781-89

W

WASTES
Wastewater
- Synthetic fuels, coal gasification & liquefaction ............ 781-89

WATER POLLUTION
See also Synthetic Fuels
Clean Water Act § 404 ............ 410-72
Discharge of dredge & fill material ............ 410-72
History of environmental pollution in Japan ............ 217-24
Nonpoint source pollution from erosion-prone land ............ 664-65

WATER RESOURCES
Administrative management ............ 156-61
Ground water liability
- American Rule ............ 137-38
- Comparative Cause Rule ............ 153-55
- First User Principle ............ 151-52
- Priority of Use Rule ............ 152-53
- Restatement of Torts Rule ............ 134-35, 138-47
Instream appropriations ............ 713-22
Minimum flow requirements ............ 710-13
Prior appropriations ............ 700-04
Protection of instream water uses ............ 705-15
Public trust doctrine ............ 144-47

Z

ZONING
See also Air Pollution, Land Use
Agricultural zoning
