This Article is brought to you for free and open access by the Law Journals and Related Materials at Berkeley Law Scholarship Repository. It has been accepted for inclusion in Ecology Law Quarterly by an authorized administrator of Berkeley Law Scholarship Repository. For more information, please contact jcer@law.berkeley.edu.
# TABLE OF SUBJECTS

## A

### ADMINISTRATIVE AGENCIES

See also *Administrative Law, Fish & Wildlife, International Agencies and Programs, State Environmental Policy, Toxic Substances*

- Agency for International Development .......... 682-83, 720-24
- Bilateral Aid to Developing Countries ............. 819-20
- Congressional Role in United States Development Bank Policy ...... 721-23
- Development Coordination Committee .................. 720
- Environmental Protection Agency ............... 587-91, 595-98, 600-15
- Emission standards ..... 27
- Ocean dumping permits ...... 628-30, 639
- Pesticide regulation .... 28
- Policy on waste disposal in oceans .................. 650-51
- Political turmoil .............. 81-82
- Federal Agency Review of International Environmental Effects ........... 713-15

### INDIA

- Air boards ............................. 926-27
- Department of Environment .......... 916-17
- Forests and wildlife .................. 928-29
- Planning Commission ............. 914-16
- Water boards .......................... 920-21
- Interagency Task Force on Tropical Forests ........... 715-18
- Role in Reagan Administration ...... 45-47
- Treasury Department .......... 719-21, 724-35
- Working Group on Multilateral Assistance ............... 720

### ADMINISTRATIVE LAW

- Administrative Rulemaking ............. 365-66
- Agency Capture .................. 414-15
- Attorneys' Fees .................. 399-421
- Challenges to EPA Regulations .... 364
- Citizen Participation .......... 575-76, 590-95
- Clean Air Act .................. 569-71, 572-74
- Cost-benefit based regulation ...... 577-84, 589-90
- Health effects based regulation ..... 584-85
- Council on Environmental Quality (CEQ) ....... 16-17, 51

### ENVIRONMENTAL PROTECTION AGENCY

- Ocean Dumping Regulations .............. 628-30, 636-45, 650
- Settlements—Benefits and Detriments ........... 366-73
- Sewage Sludge Dumpsites Designation ........... 649-50, 661-62
- Strategic Behavior by Regulated Firms ............... 604-16

### ADMINISTRATIVE PROCEDURES

- Administrative Procedure Act ........ 379-84
- Agency for International Development Environmental planning procedures and activities ........ 713-18

### AGRICULTURE

See also *Plant Genetic Resources*

- Africa ......................... 739-42
- Agriculture Settlement Projects .......... 695-96, 725-26, 728-29
- Cotton Production ............... 697-99
- Green Revolution ........ 689-90, 740-41
- Livestock Ranching ............. 690-91
- Multilateral Development Bank Projects ........... 689-91
- Tobacco Industry Environmental impact .......... 699-701
- Opportunity costs of production .......... 738
- Public health and environmental costs .......... 737-38
- World Bank projects ............... 699-701

### AIR POLLUTION

See also *Administrative Agencies, Economics, Hazardous Wastes, Industrial Pollution, State-Federal Relations*

- Arsenic .................. 584-87
- Clean Air Act ................. 14-15
- Economic Analysis ............. 593-95, 608-16
- EPA Regulation .......... 607-11
- India ......................... 926-28
- New Source Performance Standards ................. 405
- Pre-Ecological Technology Pollution in Developing Countries .......... 808-12
ALTERNATIVE DISPUTE RESOLUTION
See also Negotiations
Law's Role .................. 665, 667-70
Mediator's Role .................. 667-69
Reasons to Negotiate .................. 666-68

ARCHITECTURE
See also Urban Design

BUILDING LAWS
See Land Use, Urban Design, Zoning

CITY PLANNING
See also Architecture, Land Use, Urban Design, Zoning
Growth Control .................. 554-56
San Francisco
Downtown Plan .................. 512-13, 539-66
Master Plan .................. 538-39
Urban Design Plan .................. 533-39

COMMON LAW
See State Environmental Policy, Torts

CONSERVATION
See also Architecture, Coastal Zone Management, Marine Resources, Parks, Resource Management, United Nations
Alaska National Interests Lands
Conservation Act .................. 149-73
Administrative discretion .................. 169-71
Legislative history .................. 154, 157-67
Mining activities .................. 149-73

CONSTITUTIONAL LAW
See also State Environmental Policy, State-Federal Relations
Authority Over Federal Lands .................. 484-85
Commerce Clause .................. 217-38
Due Process Objections to Administrative Settlements .................. 392-97
Privileges and Immunities Clause .. 217

CONTINENTAL SHELF
See also State-Federal Relations
Federal Land Revenues .................. 481-84
Ownership of Submerged Lands .................. 501-02

COSTS AND FEES
See State Environmental Policy

DEVELOPING COUNTRIES
Annotated Bibliography:
Environmental Law and Policy in Developing Countries .................. 1075
Collective Efforts to Protect the Environment .................. 977-96
Zaire .................. 977-80, 985-88

DUE PROCESS
See State Environmental Policy

ECONOMIC DEVELOPMENT
Effects on the Global Environment .................. 977
International Debt of Developing Nations .................. 742-43
Multilateral Development Bank Projects .................. 736-45

ECONOMICS
See also Administrative Law, Plant Genetic Resources, Resource Management
Cost-Benefit Analysis .................. 18-20, 52-56
Opportunity cost of technology transfer .................. 876-82
Development and Conservation in India .................. 907-09
Integrating with Environmental Legislation .................. 1004-05, 1008
Regulation .................. 577-84
Risk Assessment .................. 56-61
Strategic Behavior .................. 604-16
Trade-Off Analysis of Technology Transfer .................. 888
Trade-Off Analysis of U.S. Regulations
Air and water pollution .................. 886
Consumer product safety .................. 884-85
Food and drug .................. 885-86
Health and safety .................. 883-84
Toxic substances .................. 887

ENVIRONMENTAL POLICY
Deregulation .................. 36-40
New Federalism .................. 61-65
Opposition to Reagan's Policies .................. 77-84
Role of Office of Management and Budget (OMB) .................. 40, 44-45, 48, 50
Role of Public Opinion .................. 14-15, 77-81, 85

FOREST PRESERVATION
See also Parks
Dominica .................. 751-54
FORESTS & FORESTRY
See also Administrative Agencies, Agriculture
Deforestation
Africa .......................... 739-40
Developing countries .......... 743-44
Due to tobacco production ..... 700-01
Multilateral development bank projects .................. 689-96
Tropical Forests .............. 728-29

GAS & OIL
See also State-Federal Relations
Federal Leasing Lottery .......... 492-94
Federal Royalty Management .... 488-92
Known Geologic Structure ....... 492-93

HAZARDOUS SUBSTANCES
Adverse Effects on Marine Environment .......................... 641-42
Incineration at Sea ................ 621-22
Prohibitions on Ocean Dumping .................................. 620, 626-27, 640

HAZARDOUS WASTES
See also Industrial Pollution
Air Pollution from Hazardous Waste Facilities .......... 240-42, 260-67
Disposal of Asbestos Waste in Developing Countries ........ 807-08
Federal Regulation of Hazardous Wastes ..................... 183-269
Groundwater Protection .............. 222-29, 233-40, 242-55
Incinerator .................................. 260-67
Landfills .................................. 252-60
Liability Insurance ................. 229-33
Monitoring .................................. 233-42
Recycled Wastes ......................... 218-15
Resource Conservation And Recovery Act (RCRA) ........ 28
Siting of Facilities ...................... 221-29
Small Generators ......................... 201-05
Solid Waste Disposal in Developing Countries .......... 796-800
State Regulation of Hazardous Wastes ......................... 183-269
Arizona .......................... 256
Arkansas .......................... 224, 226-28, 256, 258
Illinois .................. 204, 224, 256, 258-59
Maryland .................. 197, 200, 206, 213, 251, 269
Michigan .................. 188, 195, 197-98, 203, 218, 224-25, 234-36, 239-41, 244, 249, 252, 254-55, 262, 267-68
Minnesota .................. 198, 204, 206, 211, 213, 215, 227-29, 232, 234-38, 240, 246, 249, 251, 254
Missouri .................. 194, 198, 207, 213-15, 226-28, 233, 244, 251, 259
New York .................. 204, 211-12, 218, 224, 260, 263
Oklahoma .................. 194, 207, 215, 247-48
Oregon ................ 189, 197-98, 205, 215, 231-32
Rhode Island .................. 190, 194, 215, 226-27, 231, 259, 263-64
Virginia .................. 246
Washington .................. 190-91, 193, 198-200, 205, 224, 226-27, 238, 243, 259, 262, 264
West Virginia .................. 224, 227-28, 232, 238-39, 250-51, 253
Surface Impoundments .......... 244-47, 250-52
Temporary Storage ............ 215-18
Transportation-Manifest System .......................... 219-21
Underground Storage Tanks .... 242-44
Waste Piles .................. 248-52

INDUSTRIAL POLLUTION
Danger to Local Residents in Developing Countries ........ 787-91
Developing Countries
Knowledge of hazards .............. 800-04
Operation of pre-ecological technology .................. 808-12
Political environment . 804-08
Hazards of Pharmaceutical Companies . 801-02
Industrial Development without Adequate Waste Disposal . 794-800
Local Regulations for Multinational Corporations . 784-87
Locating Industry within Developing Countries . 782-84, 787-91

INSURANCE
See Hazardous Wastes

INTERNATIONAL AGENCIES AND PROGRAMS
See also Parks, State-Federal Relations, United Nations
Agency for International Development (AID)
Accountability of . 842-45
Federal Assistance Act . 841-42
National Environmental Policy Act . 839-42, 846-48
Asian Development Bank . 865-66
Environmental policies and procedures . 711-12
Canadian International Development Agency . 705
Committee of International Development Institutions on the Environment . 826, 706
Consensus on Need for Environmentally Sound Development . 703-07
Development Agencies
Environmental accountability . 832-38
Financial accountability . 836-39
Development Assistance Programs . 822-26
Environmental Assessments . 827-32
Failure of Environmental Policies . 832-34
Food and Agriculture Organization of the United Nations (FAO) . 856-64
Accountability . 859-64
Political and financial structure . 856-59
Inter-American Development Bank
Adverse environmental impacts of bank projects . 688-703, 736-45
Environmental policies and procedures . 710-11
Operating policy for environmental management . 711
International Board for Plant Genetic Resources
Performance and criticism of . 1060-62
Structure . 1059
International Convention for the Regulation of Whaling
Initial ratification . 937-38
Nations refusing to ratify . 940-42
Reform of . 955-57
Reporting requirements . 944
International Institute for Environment and Development . 829-30
International Undertaking on Plant Genetic Resources . 1053, 1062-70
International Whaling Commission
Adoption of moratorium on commercial whaling . 960-65
Establishment of . 939-40
Increased participation of developing countries . 953-60
Ministry of Development Cooperation, West Germany . 864-65
Multilateral Development Banks
Adverse environmental impacts of bank projects . 688-703, 736-45
Congressional hearings on environmental performance . 724-32
Contributions to banks . 682-84
Draft environmental recommendations . 729-32
Environmental and economic analysis of projects . 736-45
Environmental policies and procedures . 707-12
Final environmental recommendations . 732-35
Formulation of United States environmental policy . 724-35
Loans and disbursements . 684-88, 734-35, 741-42
Lobbying efforts for environmental policy . 724-29, 731-33
Nonproject loans . 687-88
Organization . 735-36
Role of banks in environmental planning and development policy . 685-88
Structure and operation . 682-85, 735
Types of projects supported by loans . 685-88, 736-37
United States participation and influence . 683-84, 718-24
Organization for Economic Cooperation and Development . 1039-41, 1043-46, 1048-49
Control of hazardous chemical exports . 901-02
Information exchange between nations . 902
Pesticide Action Network . 1047
United Nations Cocoyoc Symposium on Patterns of Resource Use, Environment, and Development Strategies . 705
Conference on the human environment .................................. 704
Development assistance programs .................................... 821-22
Educational, Scientific, and Cultural Organization's Man and the Biosphere Program .... 716
Efforts to control hazardous chemicals ............................ 903-04
Environment Programme ............................................. 704-07
Fouex Report and recommendations for environmental policy in the development process .... 703-04
Stockholm Declaration of Principles ................................ 704
United States Agency for International Development .... 839-48
United States Foreign Assistance Policy Concerning Natural Resources and the Environment : 713-18
World Bank ......................................................... 820-21, 848-56
Country economic memoranda ....................................... 709-10
Environmental policies and procedures .......................... 707-10
Office of Environmental Affairs ................................. 726-27, 854-56
Office of Environmental and Scientific Affairs (OESA) ... 707-08, 710
Operations manual ................................................. 708-09
Project performance audits ....................................... 710
Responsiveness to environmental concerns ........................ 853-56
Role of Environmental Advisor .................................... 703
Sector policy papers .............................................. 709-10
Structure and accountability ....................................... 849-53
World Conservation Strategy ................................. 706-07
INTERNATIONAL LAW AND REGULATION
See also International Agencies and Programs
Convention on the Prevention of Marine Pollution by Dumping of Wastes and Other Matter ........ 620, 624-27, 639-41, 645-48, 663-64
New York Declaration of Environmental Policies and Procedures Relating to Economic Development .......................... 705-07, 710-12
Procedures for Settlement of Disputes .......................... 645-46, 648

J

JUDICIAL REVIEW
Environmental Policymaking ......................................... 413-20

EPA's Ocean Dumping Regulations ........................................ 631-34, 638, 646

L

LAND USE

Discretion of Planning Commissions .......................... 536-39, 564
Design Review ..................................................... 535-36, 553
Environmental Review ............................................. 527-32

LAW ENFORCEMENT
Indian Environmental Law ......................................... 921-23, 925, 934-35

LEGISLATION
Proposed Amendments to the Marine Protection, Research and Sanctuaries Acts .................. 653-58

LITIGATION
Challenging Ocean Dumping ........................................ 651-53

M

MARINE POLLUTION
See also Water Pollution
Convention on the Prevention of Marine Pollution by Dumping of Wastes and Other Matter ........ 620, 624-27, 639-41, 645-48, 663-64
Land-Based Alternatives to Ocean Dumping ....................... 632, 638, 660
Marine Protection, Research and Sanctuaries Act .............. 619-20, 627-28, 630, 636-39, 646
Ocean Dumping Regulation
Difficulty in assessing adverse effects of pollutants .......... 641-42, 661
Dredged spoils ....................................................... 621-22
Industrial waste ..................................................... 621-22
Presumption against dumping contaminated wastes .......... 659-62
Sewage sludge ....................................................... 619-64

MARINE RESOURCES
Deteriorating Whale Stocks ........................................ 945-46
Moratorium on Commercial Whaling ............................. 950-53, 961-65
Nonconsumptive Use of Cetaceans ............................... 966-70
Pirate Whalers ...................................................... 943-44
U.S. Legislation Affecting Marine Mammals ....................... 946-49
MINERALS AND MINING
See Continental Shelf, Gas & Oil, State-Federal Relations

N
NATURAL RESOURCES
See also Gas & Oil, Marine Resources, Plant Genetic Resources, State-Federal Relations, United Nations, Water Resources
Africa ........................ 745

NEGOTIATIONS
See also Alternative Dispute Resolution Administrative Agencies .......... 670-71
Falkland Islands War ............ 669

P
PARKS
See also Urban Design, Wildlife Dominica
Development of Morne Trois Pitons National Park . 749-54, 763-64 Political considerations for park establishment .................. 756-58 Role of Canadian International Development Agency ........ 758-60 Role of the Nature Conservancy. 760-62 Preservation of Water and Forest Resources ................. 751-55 Social and Economic Considerations for Creation of National Parks in Developing Countries ................ 766-76

PESTICIDES
Multilateral Development Banks Support .................. 696-99 United States Export Regulations 1031-36 Use in Developing Countries ................ 1030-31

PLANT GENETIC RESOURCES
See also International Agencies and Programs Genetic Breeding ................ 1054-57 Genetic Erosion ................ 1056-57 Genetic Uniformity ............ 1056-57 International Seed Industry Criticisms by developing countries .................. 1058-59 Structure and operation . 1054-56, 1058

POPULATION
Migration Displacement due to development bank projects ................ 688-96, 701-02

PUBLIC HEALTH
